- | | |
|-----------------------------------|-----------------------|
| 1 pint stain | 1 pc. bristle brush |
| 1 qt. clear coat (satin finished) | 2 pcs. foam brushes |
| 1 btl. cleaning agent | 2 pcs. stir sticks |
| 1 pair of latex gloves | 2 pcs. lint free rags |

WOOD STAIN COLORS

For each stain color, light to dark shades can be achieved.

Note: Colors are approximate and actual color may vary from printed.

NuStain is a high performance, ultra low VOC stain system, specially formulated for fiberglass and composite products. Quick drying time and low odor make it easy and safe to use. Drastically reduce time wasted waiting for coating to dry – Stain both sides of a fiberglass door in one day!!
